## Patrons of Thomas Dale High School Theatre appreciate your support!

The Specialty Center for the Arts at Thomas Dale High School attracts students from across Chesterfield County who are interested in music, theater, dance and the visual arts.

The Thomas Dale Theatre Department is committed to excellence in theatrical performance, design and technology. Students are given opportunities to study theatre history, theatre theory, different theatrical forms and genres, and to grow as actors, playwrights, directors, designers, technicians and producers.
